# Learning Objectives

MedBridge  
Praxis Exam Studying  
Celeste Roseberry-McKibbin, PhD, CCC-SLP

## Course Objectives:

Upon completion of this course, learners will be able to:

1. Describe the nature and purpose of the Praxis examination.
2. List activities that the test taker can engage in to prepare for the Praxis examination.
3. Explain specific strategies to use during the test to increase chances of passing the first time.
4. Summarize the actions the test taker can take at the end of the Praxis for reporting or canceling test scores.
5. Describe options if the Praxis is failed the first time it is taken.
