Narrative Assessment for School-Age Children with Language Impairment

Sandra Laing Gillam, PhD, CCC-SLP

Course Objectives

Upon completion of this course, learners will be able to

- Identify factors that contribute to how narrative language proficiency is measured
- Recognize how to administer and interpret scores obtained from the Test of Narrative Language-2
- Recognize how to administer and interpret the Monitoring Indicators of Scholarly Language criterion-referenced narrative production tool
- Recognize how to utilize a holistic scoring rubric to characterize oral narratives
