# Learning Objectives

MedBridge

*Autism Spectrum Disorder and Educational Standards: Why Alignment Matters*

Kim Murza, PhD, CCC-SLP

## Course Objectives

Upon completion of this course, learners will be able to

- Describe the concept of backward design as it relates to developing goals and objectives aligned with educational standards
- Determine the language underpinnings of high-level social-communication and engagement educational standards
- Use dynamic assessment and the META framework to determine the most critical area of focus
- Select educational objectives that are aligned, relevant, and important
