## Learning Objectives

MedBridge

*Human Trafficking: Hiding in Plain Sight*

Hanni Stoklosa, MD, MPH

### Course Objectives:

Upon completion of this course, learners will be able to:

- Define human trafficking, scope of the problem, and common health problems
- Recognize possible indicators of human trafficking
- Demonstrate how to identify and respond to potential trafficking victims
- Assess, identify, and respond to potential victims by utilizing screening best practices to recognize the signs/symptoms of human trafficking when presented with a patient
- Describe resources to establish a protocol for human trafficking in your healthcare setting
