
Learning Objectives

MedBridge
Therapy Cap, ABN, and Multiple Procedure Payment Reduction Policy
Rick Gawenda, PT

Course Objectives:

Upon completion of this course, learners will be able to:

- Explain when the KX modifier is required to be appended to a CPT code on the claim form
- Discuss how claims exceeding \$3000 in a calendar year are selected for review
- List three examples of when it would be appropriate to issue an ABN to a Medicare beneficiary
- Define when you can collect cash from a Medicare beneficiary for services you expect the Medicare program to deny
- Recite how the MPPR policy is impacted by a Medicare beneficiary receiving two or three disciplines on the same date of service
