Home Health Conditions of Participation (CoPs) – Part 2

Diana “Dee” Kornetti, PT, MA, HCS-D and

Tricia Twombly, RN, BSN, HCS-D, HCS-O, HCS-H, HCS-C, Cos-C

Course Objectives:

Upon completion of this course, learners will be able to:

- Understand the content and intent of the Conditions of Participation (CoPs) statutes related to skilled professional services.
- Analyze key elements of the Home Health Conditions of Participation (CoPs) regarding infection control, prevention and education.
- Create mechanisms to facilitate the practicing clinician’s role in risk management and continuous quality improvement processes in the home health setting.
- Evaluate mechanisms for identifying areas for improved quality and efficiencies through a dynamic home health QAPI program.
