MedBridge

Overview of the Cardiac Catheterization Process

Jo Ann Pelaez-Fisher, PhD, RN

Course Objectives:

Upon completion of this course, learners will be able to:

- Identify common structures of the heart
- Differentiate between right and left cardiac catheterization
- Distinguish expectations of preprocedure, intraprocedure, and postprocedure
- Explain the reason for and answer common questions about the procedure
- Comprehend complications related to the cardiac catheterization
- Understand potential catheterization findings
