Overview of Regulations for Post-Acute Rehabilitation Settings

Michelle Camicia, PhD, RN, CRRN, CCM, NEA-BC, FAHA

Course Objectives:

- Discuss the regulations that guide post-acute rehabilitation care delivery
- Recognize the historical context for the current policy
- Identify emerging policy that may affect post-acute care delivery
- Describe the IMPACT Act of 201
- State the effect of the IMPACT Act on post-acute care delivery
- Discuss the provider's role in ensuring access to the appropriate post-acute level of care
