## Learning Objectives

MedBridge

*Recorded Webinar: Non-Prescribing Clinicians: What is Our Role in Helping Curb the Opioid Epidemic?*

Dan Rhon, PT, DPT, DSc, OCS, FAAOMPT

### Course Objectives:

Upon completion of this course, learners will be able to:

- Understand how opioids became mainstream in medicine and their contribution to health status
- Discuss comorbid and chronic conditions that are related to the use of opioids
- Critique the evidence regarding the efficacy of opioids for managing pain
- Understand the practical roles that providers can take in helping decrease opioid use for chronic pain
