

## **Learning Objectives**

MedBridge

*Leadership for Non-Managers Part 1: Overview of the Informal Role*

Linda M. Shell, DNP, MA, RN

### **Course Objectives:**

- Contrast and compare the differences in the roles and characteristics of the formal leader versus the informal leader
- Describe the types of power that can be used by informal leaders for engaging followers
- Participants will examine their own unique leadership qualities as informal leaders and gain insights on how to maximize those qualities
- Explore the relationship of emotional intelligence to informal leadership and the performance capabilities of the leader
