
Learning Objectives

MedBridge
Suicide Risk in Inpatient Rehabilitation Settings
Susan H. Eastgard, MSW
Jeffrey Sung, MD

Course Objectives:

Upon completion of this course, learners will be able to:

1. Identify risk factors that increase a patient's risk for suicide
2. Use a framework for asking directly about suicide risk
3. Express empathy and build connection with a patient at risk of suicide
4. State different levels of suicide risk as described by standardized suicide risk assessment tools
5. State different options for follow-up care
