
Learning Objectives

MedBridge
Hospice Diagnosis Coding
Annette Lee, RN, MS, HCS-D, COS-C

Course Objectives

Upon completion of this course, learners will be able to

- Identify the components that must be considered in ICD-10 coding for hospice patients
- Differentiate between primary, secondary, and comorbid diagnoses in hospice patients
- Discuss the means coders can use to obtain information for the accurate coding of the hospice patient, including the certification of terminal illness
