

# Learning Objectives

MedBridge

*Supervision in the Digital Age*

Katrina E. Miller, EdD, CCC-SLP

## Course Objectives

Upon completion of this course, learners will be able to

- Identify characteristics of digital natives
- Identify a variety of commonly used digital media to understand the impact on healthcare.
- Recognize the guidelines and regulations regarding the appropriate use of electronic media in allied profession settings from a supervision perspective
- Identify strategies to eliminate the abuse of electronic media by student clinicians
