MedBridge
Roadblocks to Natural Development: Part 2
Lacy D. Morise, MS, CCC-SLP
Nicole M. Sergent, MPT

Course Objectives

Upon completion of this course, learners will be able to

- Analyze common roadblocks to natural pediatric development and how these roadblocks commonly affect infants and toddlers
- Discriminate assessment and identification of signs and symptoms associated with delays related to common roadblocks in early childhood development
- Determine practical strategies to address delays related to roadblocks to natural development
- Determine parent education strategies to promote early childhood development affected by common roadblocks
