# Learning Objectives

MedBridge

*FEES: Normal Variant vs. Anatomical Abnormality*

Gerrita Morris, MA, CCC-SLP

## Course Objectives

Upon completion of this course, learners will be able to

- Examine the difference between normal variants of anatomy and anatomical abnormalities
- Determine vital abnormalities of the laryngopharynx as visualized with FEES
- Formulate a way to describe abnormalities noted during FEES without diagnosing etiology
- Determine appropriate referrals for abnormalities visualized during FEES
