Videofluoroscopy Part 2: How to Design the Exam

Catriona Steele, PhD, CCC-SLP, S-LP(C), Reg. CASLPO, ASHA Fellow

Upon completion of this course, learners will be able to

- Name at least two variations in VFSS protocols that are reported in the literature
- List at least three procedural aspects of videofluoroscopy tasks that might influence swallowing behavior or exam results
- Identify VFSS tasks that are most likely to reveal impairment in swallowing safety
- Identify VFSS tasks that are most likely to reveal impairment in swallowing efficiency
