

## Learning Objectives

**MedBridge**

***Communicating Results of Videofluoroscopic Swallow Studies***

**Debra Suiter, PhD, CCC-SLP, BCS-S, F-ASHA**

Upon completion of this course, learners will be able to

- Determine key elements that should be included in a VFSS report
- Implement strategies for ensuring effective communication of VFSS results across care settings
- Deconstruct issues related to ineffective or incomplete communication of VFSS results across settings
- Analyze how healthcare literacy impacts caregiver and patient understanding and the clinician's ability to communicate VFSS findings
